

PROJECT X
a beer + art endeavour

TASTING NOTES

- TANGERINE
- GRAPEFRUIT
- PEACH
- MANGO

Our third Project X release of 2023 utilizes various techniques to drive hop flavors and aromas to new heights, with El Dorado in the mash, Idaho 7 in the whirlpool, and Mosaic & Strata coming in during and post fermentation. This combination of hopping regiments throughout the brew and into the conditioning process, produces an IPA with a dank but fruit-forward hop aroma and flavor with sustained citrus, tropical, and floral notes.

Featured Ingredients: El Dorado, Idaho 7, Mosaic and Strata Hops
