PASSIONFRUIT

GRAPEFRUIT

WHITE GRAPES

TROPICAL FRUIT

Pale, bright and crisp; this IPA pulls out all the stops. Brewed using new-school techniques and advanced hop products, the focus is on delivering bold hop flavor and aroma through a deceptively light-bodied and easy-drinking beer. Citra goes 3-ways with Traditional T-90 pellets, cryo pellets and Abstrax brand Quantum extracts. This wave of soft tropical fruit and tangy citrus from Citra is amplified with juicy grapefruit, mango and dark berries from Krush hops. Passion fruit, white grape and kiwi from New Zealand grown Superdelic round-out the mix. Brewed with our friends at Breakside Brewing in Portland, OR with techniques forged by their talented brew-staff to highlight clean and refined flavor from this complex Modern IPA.
