*hazy IPA*

**TASTING NOTES**

**STRAWBERRY**

**PASSION FRUIT**

**DANK**

Having leaned heavily into the sweet fruit and coconut flavors of our last Project X release, our brewers decided to swing the pendulum to more traditional IPA flavors with Metamorphosis. Mosaic and Citra hops lend intense flavors of passionfruit and strawberries, while Strata punches up with aromas of dank marijuana and citrus. A heavy wheat addition and dextrin malt add a hefty body for support.

Featured Ingredients: Strata, Citra & Mosaic Hops.
