TASTING NOTES

GUAVA

VALENCIA ORANGE

MELON

PEACH SMOOTHIE

With a malt bill of nearly 40% oats and wheat, Urban Solace presents itself with huge mid-palate body, held up by slightly more bitterness than the style calls for. Leaning heavily into the experimental hop varietal HBC 1019, the beer expresses big tropical and stone fruit notes along with a pleasing mix of Valencia oranges and honeydew melon.
