HERBAL AROMAS

Intriguing as it is adored, Project X showcases unique labels created by independent artists that have been translated from their original media, be it canvas, street art, or photography. Teaming up with artists to spawn inspired works that tie into each beer's namesake, we have adopted a distinctive concept that shifts the focus from just the liquid in the can, to a sensory experience that makes a piece of aluminum not just a thing of beauty, but a true work of art both inside and out. Our rotating Hazy IPA series presents beautiful aromatics, a cloudy appearance, pillowy mouthfeel, and mild bitterness to finish.
