Peer through Soul Window and discover a hazy IPA built around one of today's most expressive hop combinations. Strata and Strata CGX lay down a saturated foundation of passionfruit, dank cannabis, and ripe tropical fruit, while Krush layers in vibrant notes of peach, guava, and citrus candy. Citra and Simcoe CRYO round out the profile with bright grapefruit, juicy mango, and a subtle pine finish.

A soft malt bill and restrained bitterness allow the hop character to take center stage, delivering a plush mouthfeel and explosive aroma without sacrificing drinkability. Juicy, layered, and endlessly aromatic, Soul Window offers a glimpse into the evolving world of modern hop expression.
